EMPLOYMENT

2013 – Present

CapsLockBD

CEO / WEB DEVELOPMENT TRAINER

CapsLockBD is one of the largest companies of Bangladesh. In fact this is the only company of Bangladesh that provides all of the web services that a company can provide. *CapsLockBD* established on April 2013. I am one of the founders and present CEO of this company. Again I am **web design and development trainer** of *CapsLockBD* training program.

2014 – Present

ICE IU, Kushtia, Bangladesh

WEB MASTER

Information and Communication Engineering (ICE) Department is the first ever IT based department of Islamic University (IU) as well as Bangladesh. Currently I am a student of this department and also working as Web Master here.

2013 – 2014

BBICT

WEB DEVELOPMENT TRAINER

Bissaw Bangla Information and Communication Technology Bhaban (BBICTB) is a technical training center. I joined there as the Manager and Web Development and Web Design Trainer.
